How to Say The Date in English

British or American Way

British English: The day is usually put before the month.

You write: **1st October, 2006 (01/10/2006)**

You read: **The first of October two thousand and six**

American English: The month is usually put before the day.

You write: **October 1st, 2006 (10/01/2006)**

You read: **October the first two thousand and six**

Exception: The fourth of July

How to Say The Years in English

Years

Years are normally divided into two parts

1984 nineteen eighty-four

1750 seventeen fifty

1900 nineteen hundred

1803 eighteen oh-three

For the first ten years of the 21st century, we use the word '*thousand*'.

2000 two thousand

2007 two thousand (and) seven

From the year 2010 you can say two numbers again or some people continue to use '*thousand*'.

2012 twenty twelve *or* two thousand twelve
