**Read the text, then choose the best answer for questions 18-20.**

My name is Albert Dewit. I'm from Berlin, Germany. My parents live in Hamburg. I have a sister and a brother, Christina and Martin.

I'm 19 and I'm studying Computer Science at university in New York. It's my second year at university now. I love

living in a big house in Ivy Street. It's near the university. I share the house with two other students. Their names are Bill and Paul. They are both from Los Angeles. We study at home or go to the library on weekdays. We usually eat dinner at home. At the weekend we go to the cinema together.

**Where does Albert Dewit go to university?**
